CURRENT POSITION

Interventional Radiology Administration, King Fahad Medical City, Riyadh

Sub-Specialty Consultant- Musculoskeletal Radiologist at King Fahad Medical City, Riyadh

Sub-Specialty Consultant- Non-Vascular Interventional Radiologist at King Fahad Medical City, Riyadh

Chairman, Interventional Radiology Administration Research Committee at King Fahad Medical City

Member, Scientific Council of Radiology at SCFHS

Member, MSK IR educational subcommittee - PAIRS

Editorial board, Cardiovascular and Interventional Radiology Journal (CVIR)

EXPERIENCES

- Consultant Radiologist- Non-Vascular Interventional Radiology at King Fahad Medical City, Riyadh since 2017.
- Consultant Radiologist- Musculoskeletal Radiology at King Fahad Medical City, Riyadh since 2015.
- Former Program Director, Musculoskeletal Imaging Fellowship Program, 2019 - 2022
- Former Program Director, Radiology Residency Training Program, 2019 & 2020
- Former Academic Officer, Radiology department at King Fahad Medical City, 2019 & 2020
- Head of the Organizing and Scientific Committees of the annual MSK US training course at KFMC, 2018 & 2019
- Head of the Organizing and Scientific Committees of the Radiology Crash Courses at KFMC, 2019

UNDERGRADUATE EDUCATION

Faculty of Medicine, King Abdulaziz University

MB BS

2005

General internship, King Abdulaziz University

2006

POSTGRADUATE EDUCATION**- Residency**

Diagnostic Radiology, Aix-Marseille Université (France) DES 2014

- Fellowship

Diagnostic and Interventional Musculoskeletal Radiology, Université de Montréal (Canada) 2015

Non-Vascular Interventional Radiology, Université de Strasbourg (France) 2017

- Master of Business Administration

MBA in international healthcare management , Frankfurt School of Finance and Management (Germany) 2023-2025

PROFESSIONAL QUALIFICATIONS

- MB BS 2005
- Saudi Council for Medical Specialities Exam 2005
- General internship 2006
- Medical Council of Canada Evaluation Exam 2006
- European Diploma in MRI 2011
- Diploma in MSK Radiology 2012
- French National Exam of Basic Physics of Medical Imaging 2012
- Diploma in Imaging of Sport Medicine 2013
- Specialty Certificate in Diagnostic Radiology (DES) 2014
- European Diploma in Radiology (EDIR) 2014
- Fellowship Certificate in Diagnostic & Interventional MSK Radiology 2015
- Fellowship Certificate in Non-Vascular Interventional Radiology 2017
- MBA-IHM 2025

AREA OF PROFESSIONAL INTERESTS

- MSK Radiology :
 - Radiography, CT and MRI
 - MSK US
 - Joint Arthrograms
 - Image-guided Joint Injections
- Non-Vascular Interventions :
 - All Biopsies
 - Pain management
 - Spine interventional procedures
 - Vertebral Augmentation and Osteoplasty
 - Tumor Ablations: RFA, Cryotherapy, Microwave Ablation, Alcohol Ablation and Laser Photocoagulation
 - Percutaneous Treatment of Disc Degenerative Disease: Spinal Injections, Discography, Nucleotomy and Pulsed RF Facet Joint Rhizotomy
 - Percutaneous Screw Fixation of Pelvic Fractures
 - Tendinopathy treatment: Corticosteroid, Dextrose and PRP injections and Dry Needling
